SUN BEAMS

By WALTER M. BARRETT

Down in Stockton this week, the American Legionnaires were battling it out on the convention floor. Truckee was staunchly represented by none other than our recent loyal resident, Hugh McColl. Hugh took time out to call up and let us know that the Truckee colors had won citations in two parades and that our three votes in the state convention were being used to best advantage. Although he has been gone from Truckee a year or more, McColl is still loyal to the town and his friends here. Nice work, Hugh.

Have you noticed that Truckee boasts one of the best little theatres, showing the finest productions of the motion picture industry, of any town of similar size anywhere. Very rarely does Manager Vern Shattuck disappoint a patron. We hope he decides to continue the Thursday show, recently inaugurated.

In a few days now, approximately 100,000 baby trout will be taken to their rearing ponds at the fly casting club where they will be fattened and prepared for their debut into the Truckee River society. The 100,000 mark only about half the consignment for the local stream, the others to be hauled down from their native Tallac hatchery later. It's going to cost considerable to feed those 200,000 mouths and although Truckee merchants have been liberal in donations this year, there are still some who have not contributed their share. We can put the fish program over the top in a big way if everyone gives a hand.

Members of the Sanitary board and others seem to have met a hopeless deadlock in the proposal to adopt a plan to keep Commercial row and other streets free from debris. Oh, well, it was a good suggestion anyway. Or was it?

Within the next two weeks, August 23 to be exact, schools will reopen in Truckee. It seems a shame to break into a beautiful vacation of fishing, riding, hiking, playing and other enjoyable recreations, just to get a little more knowledge, but that's the way it goes.

We took a look down the alley back of Commercial row the other day and found that while most of the businessmen are keeping the thoroughfare clean, there is one instance where it is next to terrible. It takes only a glance to determine the place. Although the litter is tossed into the adjoining property it is still easily traced to the door from which it comes. There should be a law.

The old proverbial election pot has started to simmer and it's a safe bet that within the next few weeks it will reach the boiling point. While the discussions thus far have been confined chiefly to state office seekers, it will not be too long before the county job hunters will be striding forth seeking the support of the electorate. Daily the mail is filled with "news" about the splendid qualifications of this or that potential candidate and the unprincipalled qualities of all others. So it goes. Politics is a funny game, probably taken to seriously by many, but nevertheless an interesting and amusing contest to watch from the sidelines. We have been assured of one thing definitely there will be no shortage of material from which to choose. It's going to be a problem which way to leap, if at all.

GROUP ENJOYS SWIM PARTY ON DONNER

A group of Truckee young people Tuesday night enjoyed a swimming party on Donner Lake. Refreshments were served. Those participating in the jolly affair were August Sassarini, Gene Ilardi, Edwin Waters, Leo Cardinal, Elwood Clark, Robert Bowers and Robert Leamon.

PICTURE COMPANY MAY SELECT TAHOE FOR LATEST FILM

Rumor at Lake Tahoe has it that a Hollywood motion picture company of approximately 200 people will arrive there soon for the filming of "Spawn of the North".

Director Henry Hathaway is expected to be in charge of the work.

SCHOOLS OPEN AUGUST 23 AS BUDGETS PASS

Expenditures For Year Approved At Public Meetings Last Week

PLAN IMPROVEMENT

Teachers Will Be Chosen Here For Work Starting In Ten Days

There being no protests entered, the recently approved budgeted of expenditures for the Meadow Lake Union High School, approximating $15,000, was adopted Friday evening by the board of trustees at a public meeting held at the high school.

The budget is for the 1937-38 semesters.

Repairs to the building, including painting, calsomining and other minor work has been started in preparation for the opening of school on August 23. Charles Cabona has been awarded the contract for the redecorating of the structure.

The budget provides for improvement of the recreation and athletic facilities, not to exceed $1000. It is hoped this work can be started in the near future.

The board discussed details in connection with the opening of school and made plans for the enrollment now less than two weeks away.

With the exception of W. I. Bovee, manual training instructor, whose successor has not been named, the teaching staff will be the same as last year, with Principal G. E. Hofmann, Miss Marion Lothrop, Miss Marie Reynolds and Miss Anna Munro comprising the faculty.

GRAMMAR SCHOOL

The grammar school budget for slightly over $6,000 for the year's expenses was also approved at the public hearing held last Thursday evening.

A fence for the rear of the property and a new flag pole are the only immediate improvements planned for this year.

Miss Charlotte Pfeuffer, who had been employed to teach again this year has asked to be relieved of her contract and her successor was expected to be here today to confer wtih board members. P. R. Nelson has been reemployed as principal and although Miss Norma Reischelt's resignation was accepted, it is hoped to have an emergency teacher here to replace her.

There is no way of accurately determining the enrollment of the two local schools, but there is expected to be little change from last yar.

LIONS SEE MOVIES OF SNOW SPORTS IN WEEKLY MEET

Motion pictures of snow and winter sports scenes taken in this area last winter and shots of points of interest in the east were shown to members of the Truckee Lions club here last night by Coroner Bob Jefford and Fred Conway, members of the Grass Valley Lions Club. Ben Tonini was in charge of the program committee for the evening.

Other guests were Mr. and Mrs. Guy Thorne, E. C. Stone, Jack Tupper, Jr., all of Grass Valley and State Patrolman L. L. Richards, who is working in that district.

Conway spoke briefly of his recent vacation trip to Alaska. President C. Edmunds presided.

NEW ORGAN DEDICATED AT TAHOE CHURCH BY REV. NOEL BISHOP

A special service was held by Rev. Noel Porter, D. D. bishop of the episcopal Diocese of Sacramento at the out door-Chapel of the Transfiguration at Lake Tahoe on Sunday, August 8 to dedicate the newly installed electric organ.

Warren D. Allen, organist of Stanford University was a guest artist; Mrs. Fanny Bailey Scott of Oakland was soloist for the occasion and Rev. Porter gave the address.

The instrument was donated by a friend of the church.

Truckee Legion Colors Cited In Stockton Parade

Local Delegates At Conclave Of Veterans At Stockton

Hugh McColl, former adjutant of the Truckee Post of the American Legion, Frank Kinne, finance officer and Charles Pierce, chaplain, represented the local veterans' organization at the state convention held in Stockton his week.

It being impossible for Kinne and Pierce to remain during the lengthy sessions, McColl was authorized to vote for the local delegates. Truckee is granted three votes for its membership of 40.

In a message from McColl Tuesday, he said that the Truckee post colors had won citations in two parades, the Sons of the Legion parade in which his young son carried the banners and in the Legion parade where McColl himself paraded Truckee's flags.

Miss Mattos Weds Sacramento Man At Reno Ceremony

Establish Home In Capital Following Trip To Southland

Miss Mary Rose Mattos, daughter of Mr. and Mrs. Joseph Mattos of Truckee became the bride of Ned Miller of Sacramento at a quiet ceremony performed by Father Collins in the St. Thomas Catholic Church parish at Reno, Nevada, on Thursday, August 5.

The nuptial service was attended by immediate friends and relatives of the young couple, including Mrs. M. O'Conner, grandmother of the bride.

A beige suit with accessories in the shade of English oxford and a bouquet of gardenias were chosen as the bride's costume while the bridesmaid, Miss Ilene Staab of Sacramento chose an outfit of blue with white accessories and carried rosebuds.

Louis Pastrell of Reno, Nevada acted as best man.

Mrs. Miller attended St. Joseph's Academy in Sacramento, graduating last June. The bridegroom has been a resident of Truckee, leaving about four years ago to return to Sacramento where the newlyweds will establish their home, following a trip to Los Angeles and other points of interest in southern California.

Ill—

Friends of Mrs. Elden Tonini who have learned of her recent illness are hoping for her speedy recovery.

BOCA AGREEMENT REACHED; WORK THERE RESUMED

Agreement Similar To Proposal By A. F. of L., Says Report

ELECTION IS PENDING

Men Will Decide Which Group They Will Join In Ballot

With several men already back on their jobs and others expected to return to work soon, a tentative settlement has been reached at the Boca dam, $1,000,000 reclamation project, shut down since July 14, purportedly because of union activities, it was announced yesterday.

It is reported the men will return to work immediately at higher wages.

Work on the project will be resumed "at an early date," George W. Condon company, contractor officials said in announcing an agreement with Local No. 402 of the International Mine, Mill and Smelter Workers' Union, a committee for Industrial Organization affiliate.

In a joint statement, the contractor and the union said:

"Due to the fact that a dispute has arisen as to the labor organization to be recognized on the work, the contractor has entered into an agreement with Local No. 402 of the International Union of Mine, Mill and Smelter workers, establishing wages, hours, and other working conditions which are similiar to those contained in the American Federation of Labor agreement and providing for an election to determine whether the A. F. of L. or the C. I. O. shall represent the workmen.

"This action was taken in accordance with the contract with the bureau of reclamation which gives the workmen the right to select their own representaives."

"Pending the election, the contractor plans to resume operations promptly and use its former employes.

"Local No. 402 has consented to hold an election and the American Federation of Labor has been requested to join in the consent to the election so as to secure for the workmen the collective bargaining right guaranteed them under the government contract.

"This method of settlement carries into the effect the proposal submitted some days ago by Walter G. Methewson, federal conciliator, who spent some time in Reno on this matter."

No date has been set up for the labor election, pending receipt of instructions from Washington.

SMOKERS BLAMED FOR MANY FIRES IN LOCAL FOREST

31 Fires Are Extinguished By Foresters During This Year

NO SMOKING EDICT

Lightening Caused Only 4 Of The Fires In Region, Says Report

A no smoking edict has been made by the local forest service following a series of fires started in this manner this year.

Up to date during the 1937 summer season, 31 fires have been extinguished by the forest service men of the Truckee district which includes Tahoe.

Only four of the conflagations were due to lightening while careless smokers and campers were credited with the rest.

Last Friday fire broke out behind the rock crusher at Tahoe Vista. H. I. Snider headed a crew that battled the dangerous blaze in the brush and trees among the rocks.

Thirty minutes later another smokers' fire was reported near the 7C Ranch at Euer Valley on the road to Frog Lake.

Nelson Stone, Truckee guard arrived in time to save the trees.

On Monday two acres of timber brush, back of Homewood were burned, two crews of CCC boys from Rubicon Point helping Assistant Albertus, H. I. Snider and partolman McDaniel combat the flames.

Peet beds held the heat, making it dangerous to the firefighters but was reported to be under control on Tuesday.

VALUABLE PUMP IS STOLEN FROM HIGHWAY PROJECT

Officials of the Pacific States Construction Company, contractors on the new Donner Lake highway, reported to Deputy Sheriff N. F. Dolley yesterday that a water pump, valued at $250 had been stolen from the lakeside. The system lock had been broken and the hose severed, Dolley discovered in making the investigation.

Officers expressed the belief that the thieves who took the pump are the same that stole the $300 electric motor from the winter sports pavilion two weeks ago.

Clues were left at the recent crime which may lead to the arrest of the culprits, Dolley said.

FISH SOON TO BE TRANSFERRED TO LOCAL FEED PONDS

The first consignment of the 200,000 rainbow trout to be planted in the Truckee River this fall will be hauled from the Tallac hatchery Saturday for feeding in the rearing ponds at the San Francisco Fly Casting Club, E. H. Hommon, in charge of the program announced.

There will be 100,000 trout brought down Saturady, the balance coming a little later.

TAHOE LIBRARY TO BE OPEN SOON FOR BENEFIT OF PUBLIC

Tahoe City, Aug. 12—Mrs. George Bliss of Tahoe City announced yesterday that the Lake Tahoe branch of the Placer County Library would be open on Saturday, August 14 at 2 p. m. and would remain open for inspection until 5 o'clock that same evening.

Mrs. Ann Anderson will be the librarian.

The library is located at the Tahoe Women's Club hall and will be open to the public Mondays and Saturdays from 2 to 5 p. m. and on Wednesdays from 12:30 to 3:30 p. m.

Depositors of the Reno National Bank and several other banks in Nevada received their first dividend checks on August 9th. Two thousand persons were benefited to the amount of approximately $1,460,000.

THE GREAT TREK

Not since the golden days of the 1920's has there been such a westward trek of tourists into California. They are coming in droves by sea, air, rail and highway. During the first six months of this year, 488,077 automobiles entered California, an increase of 17 per cent over the same period last year.

Rail travel showed a 15 per cent boost in 1937 over those same months last year. Travel by sea-lanes has broken all previous records and travel by the airlanes has outstripped all other means of trasportation as far as percentage of increase is concerned, with a 30 per cent gain in July over June.

Some people are adopting the gypsy spirit for keeps. Witness California's trailer industry which has sold 2228 coaches in 12 months. Travel where they will, they'll be rolling home.

AN ACCIDENT MAKES NEWS

An eleven-car train, jammed with tourists, speeds northward past the wooded slopes of the southern Oregon Cascades one morning last week. Three Pullmans and two dining cars scoot off the track, jarring the passengers.

After the smoke of the first garbled accounts, reporting several people seriously injured, had cleared from the air it was still front page news that a small train crackup had occured in which a few persons sustained minor injuries.

Train accidents are such rare events it would probably make news if the engineer snagged his thumb on a passing blackberry bush. It wasn't big news last week that here in California on that very day, over 100 persons were mowed down by automobile accidents, some of them to be crippled and maimed for life, and others never to breath again.

California drivers have a high mark to shoot at before they will be able to wrest railroads of their admirable record for travel safety.

Politically Speaking

By GEORGE E. HELMER
(United Press Staff Correspondent)

SACRAMENTO, Aug. 12. —(UP)— Gov. Frank F. Merriam now has another vacancy to fill on the state supreme court, and the possibility of making another two, three or four way appointment as a result of the death of Justice Ira F. Thompson.

While the governor never discusses appointment possibilities for some time after the death of an office holder, and tries to evade the rush of office seekers who clamor for jobs immediately after the death announcement and sometimes while the incumbent is dying, political circles buzzed as prognosticators tried to figure who would get the supreme court post.

The two names mentioned most frequently here were Attorney General U. S. Webb and State Senator William P. Rish of Marysville.

No one seemed to know whether Webb would accept the appointment if offered him. Should he receive the bid and take it, the governor then would have the best paying of all state jobs to offer one of his frineds, or one of his political enemies. It was doubtful if he would select an "enemy" however, because the attorney general has a great deal of power and could easily make things very uncomfortable for the administration.

Senator Rich is a staunch supporter of the governor and was administration leader in the legislature for the past two sessions. He is president pro tem of the senate, a lawyer and former school teacehr.

If he desired, the governor could move an appellate judge up to the supreme court, asuperior judge to the appellate bench, a municipal judge to the superior bench, and a lawyer to the municipal bench, thereby taking advantage of one vacancy to make four appointments.

Legal experts at the capitol were a bit puzzled when they read that James Howie, Los Angeles, deputy attorney general, declared the governor had no alternative but to order the extradition of John Montague, Hollywood mystery golfer, to New York to face charges of participating in a roadhouse holdup in 1930.

Howie reportedly told the governor that under the provisions of the federal constitution he was forced to order Montague returned.

State attorneys here insisted Howie was wrong. They pointed out that in extradition cases only three points were to be considered: 1—regularity of the papers; 2—was the alleged fugative in the demanding state at the time of the crime; 3—is the alleged fugativenow in this state.

The governor however, is not forced to extradite a person. He can ignore the application or refuse to sign it if he feels that justice would not be served properly if the person were returned for incarceration.

There was some speculation as to whether Merriam received the opinion from Howe to use as an excuse for signing the extradition papers in the face of protests from movie stars who rallied to Montague's support, or whether Howie merely issued the statement for public consumption.

The state personnel board, facing a long calendar of civil service cases, spent two days making speeches about the amount of money to be allowed for board members' expenses, then adjourned after considering only three or four cases and taking no action on any of them.

Two members, E. H. Christian and Arthur Brown, averaged $180 a month during the past two years but under a ruling by Finance Director A. E. Stockburger each member will be permitted only $15 a month expenses from now on. During the two-day session, Christian led a fight to have the expense budget increased, but opposition by Harry Lutgens, Harry Riley and Fred Wood blocked the movement.

Meanwhile, Riley, who is state controller, will refuse to honor expense claims running more than $15 a month until he receives a formal opinion from the attorney general saying he cannot do that.

Personnel board members are all

Tahoe . . . . Ramblings . .

(By SWANEE)

An earthquake of mild proportion visited the southern end of Lake Tahoe on Thursday about 7:45 P. M. causing a mild scare but no damage. A distinct shock was felt by Ranger Raleigh Bryan of Myers Station, while members of the Tallac telephone exchange declared their switch board received a good shaking up. Other sections of the southeast lake district reported slight tremors.

Hamilton's Tahoe Lodge has been enjoying a busy season to date, recent guests including Mrs. J. E. Gannon of Auburn, Mr. and Mrs. J. B. Bola and Mr. and Mrs. Sam Harbinson, all of Sacramento.

Mrs. Egon Dahmer of Redlands has departed for her home following an enjoyable visit at the home of Dr. and Mrs. C. B. Pedersen of Tahoe Park. Present guests are Mrs. Rosemary Parker and daughter Kay of San Francisco.

J. A. Cushwa of Alameda spent a week's vacation at the home of his daughters, Mrs. Sibyl Yeakel of Lake Forest. Mrs. Yeakel's sister Mrs. R. C. Himes of Piedmont, accompanied by her husband and son Roger, visited at the Yeakel home from their cottage at Richardsons Camp where they vacationed a week. They continued on to Oregon by motor before returning to their city home.

David Farmer Jr. of San Francisco, talented young nephew of Mr. J. T. Clark, has completed a play for juveniles which he hopes to market soon. He is summering at his uncle's estate Guth-A-Win-Ga in the Sunnyside district.

Mrs. Barbara Corrinne Westphal young daughter of A. R. Westphal, is spending several weeks at Tahoe at her father's home. She recently returned with her mother from a transcontinental tour which carried them to the Atlantic Coast. Miss Barbara Selfridge of Oakland accompanied her to Tahoe.

MAJOR CRIST FETED ON BIRTHDAY WITH PARTY AT PRUSSO'S

Tahoe City, Aug. 12—Major Arthur P. Crist of Tahoe was honored recently at a dinner party given in observance of his 55th birthday at Prusso's Forest Inn. Three newlywed couples assisted in the celebration. They were Mr. and Mrs. A. P. Crist Jr., Mr. and Mrs. Len Hawxhurst and the honoree and Mrs. Crist.

TWO TAHOE MATRONS HOSTS AT BRIDGE PARTY LAST WEEK

Tahoe City, Aug. 12—From Truckee, Meek's Bay, Brockway and many sections of the lake came ladies on Thursday afternoon last to attend the delightful bridge party given at Tahoe Women's Club clubhouse in town. Mrs. J. Chas. Harris and Miss Regina Cuneo of the Sunnyside district, joint hostesses, were well repaid for the hours of effort expended in preparation for one of the season's loveliest affairs. The clubhouse was adorned with a profusion of bright hued flowers, plentiful at Tahoe at this time of the year, bringing added color to the gay gathering. Raymond Japanese houseboy for Mrs. J. L. Debenedetti relieved the ladies of serving duties. Refreshments consisted of delicious home made cakes, coffee and cantaloupe a la mode.

Ten tables of bridge were accomodated, prizes for auction going to Miss Elnora Toft of Fallon, a guest of he Weller Atherton's in Tahoe of the Weller Atherton's in Tahoe City, and Mrs. Betty Stevens, Contract ladies, Mesdames Mahne and Bick.

Today the Wyethia Club of Truckee entertains at an afternoon of bridge with refreshments, which

HUNDREDS WITNESS SECOND REGATTA OF TAHOE POWER BOATS

Tahoe City, Aug. 12—The Tahoe Power Boat Club regatta held on Sunday morning was witnessed by hundreds of spectators who lined the shore and wharf at Chamber's Lodge. Weather was ideal with a slight breeze blowing. Dave Chambers was official starter.

The first race, one for 100 H. P. Stephens was won by Gordon Lacy of Stockton in his Lady Constance. His time over three laps of an approximate 2 ¼ mile course was 11:49, Gustav Knecht's Margus 111 placing second in 9:15.

In the 200 H. P. displacement class Charles Ehrman's Jacqueline came in first, iu 9:06 minutes with Edwin Letts Oliver's Hey There 111 close behind in 9:15.

Free For all over a 5 lap course was won by Henry Kaiser's Hornet in 10:43, John B. Metcalf's Tecolote second in 14:20. R. Stanley Dollar's beautiful new 600 H. P. Mercury went out of commission on the fourth lap of this race with broken steering gear, greatly disappointing the large crowd on hand to witness it's sleek performance.

The 300 H. P. event went to Metcalf's Tecolote in 8:25 min. R. C. Walker's Ranjac 11 placing second in 8:40.

The bang and go back (which was bangless this year as judges used a white flag instead of a gun) went to Junior Kaiser in the Jr. 111, Ann Milton's Skip-it crossing the line in second place.

The handicap race, run twice because of an error by the judges in starting contestants in the first try, was taken by T. E. Anderson's Viking, Charles Ehrman's Jacqueline and E. L. Olivers Hey There, Anderson's Viking and Chas. Townsend's Kanigo.

A novelty extra race between class C outboards was won by Jack Preston of Mono Lake in the Bodie Jack, Claude Walburn of June Lake in the Miss X, second and Wallis McPherson of Mono Lake third in Patches.

The special event between Ehrman's Jacqueline and T. E. Andersons Viking, the last race held, proved a walk away for the Jacqueline whose lead from the start was never once threatened throughout the

IT'S no time *now* to dawdle around—here's August, summer's flying, that car of yours is going down steadily in trade-in value—and the Buicks are moving plenty fast!

Right now this big, silky, fast-stepping, valve-in-head straight-eight is *still* selling at the lowest prices in Buick history.

It's still your big chance to get a man-size bundle of thrill-packed travel-power at rock-bottom bargain rates. You can *still* have one for less than some sixes cost—and it's so far out in front of the others that no matter what they do next, they won't be able to match the '37 Buick for value!

So go slip your frame behind a Buick's ready wheel and head its nose out toward the highway. Try out its great power with your gas-treadle toe, give yourself over to it and let it show how it can send your spirits soaring.

And when you've sampled its mettle and learned the modest price figures, just ask yourself if it's likely that we'll soon see such value again! Yes, sir, it's a buy—*the* buy—just too *good* a buy to let slip.

So get busy—right now! Fast action is in order! Give us a ring and we'll talk things over!

"It's Buick again!"

ATTENDANCE AT ELEMENTARY SCHOOLS SHOWING INCREASE

SACRAMENTO, Aug. 12—(UP)—The average daily atendance at California's elementary schools showed an increase during the past year for the first time since 1933-34, Dr. Walter Dexter, state superintendent of public instruction, reported.

The average daily attendance at elementary schools totalled 683,322, a gain of 1.61 per cent over that of the year before. High schools recorded an attendance of 309,886, an increase of 4.69 per cent, and junior colleges had an average enrollment of 17,894, a gain of 2.33 per cent.

The total average daily attendance was 1,011,102, an average increase of 2.55 per cent.

Dr. Dexter expected the gains to continue next year.

By CNPA Inc. Service

Postman R. D. Hays, left, receives letters from Nick Singley, 90, Sacramento, to Singley's 22 children, 31 grandchildren, 26 great grandchildren and one great, great grandchild, asking them to attend State Fair at Sacramento Sept. 3 to 12 for family reunion.

VOCATIONAL CLASSES WILL RECEIVE AID FROM STATE FUND

SACRAMENTO, Aug. 12. —(UP)—The state of California will spent $692,134.80 during the 1937-38 school year to give its youth—principally those enrolled in high schools—training in vocational pursuits, according to the state department of education.

The money will be disbursed for the most part to high school districts of the 58 counties. In some instances, however, it will go to joint high and junior college districts of high and elementary school districts.

The greatest amount, $357,586.50 will be spent to provide training along trade and industrial lines. Prospective agriculturists will get $175,499.18 to further their education in practical farming subjects, while costs of training youthful homemakers in various domestic pursuits will total $126,049.12. Another $33,000 was budgeted to general continuation purposes.

Nevada county schools will receive a total of $1,084 for vocational purposes. All of this amount was earmarked for homemaking.

LETHAL GAS BILL SAFE FROM LEGAL TRAPS, SAYS OPINION

SACRAMENTO, Aug. 12.— (UP)—California's lethal gas bill, which substitutes gas for hanging in capital punishment cases, will withstand any tests that may be brought, legal experts believe.

Jess Hessions, deputy attorney general, said validity of the measure was questioned by some attorneys who believed because of faulty wording a claim might be made that the hanging epnalty had been abolished, and that for crimes committed before Aug. 27, when the gas bill is effective, there might be no penalty.

Murderers convicted of crimes committed before Aug. 27 will be hanged, and those after that date will pay for their offense by the lethal gas route.

CARAVAN BILL WILL WORK BOTH WAYS, IS RULED BY WEBB

SACRAMENTO, Aug. 12.— (UP)—The California auto caravanning law is a poor rule, State Motor Vehicle Director Ray Ingels discovered, because it works both ways.

Ingels was informed by Attorney General U. S. Webb the recently enacted statute under which a $15 fee is assessed for all motor vehicles caravanned into the state also will affect California assembling plants. The state must charge the $15 on all machines caravanned out of the state, Webb ruled .

8,500 MOTORISTS IN STATE LOSE LICENSES DURING SIX MONTHS

SACRAMENTO, Aug. 12—(UP)—Nearly 8,500 California motorists had their drivers licenses suspended during the first six months of 1937.

Drunken driving led the list of causes for suspensions, 6,162 licenses being taken away because their owners were found to be driving under the influence of liquor. All other caues accounted for 2,313 suspensions, revocations and cancellations.

In Nevada county, there were 13 uspensions and revocations charged to drunken driving and two to other causes or a total of 15.

Alpine county was the only subdivision not reporting a suspension. Mono had only one and Sierra two. Los Angeles led with 3,727. Alameda followed with 564 and San Diego was a close third with 553. San Francisco reported 263, San Bernardino 256, Kern 212 and Riverside 203, the remaining counties listing less than 200 each.

Suspensions jumped 291 per cent while revocations and cancellations increased 97 per cent above the figures for the corresponding period of 1936.

The number of licenses issued by the state department of motor vehicles dropped from 572,021 last year to 494,459 for the first six months of 1937.

three, exciting laps.

Mrs. J. Carroll Skinner, the only woman driver who annually pilots her Florence M over the course with the best of them, took third place in the Stephens event.

Most noticable and highly commendable during these races each year, is the marvelous spirit of sportsmanship exhibited to a man. Even though some know their boats can never take a winning place in the events they gladly and heroically put forth their best efforts, putting on a good show and entering into the affair in the proper spirit.

Tahoe Tavern, Dave Chambers, Commodore Brooks Walker and the Tahoe Power Boat Club donated the trophies awarded winners in last Sunday's events.

TWO TAHOE MATRONS

(Continued from page 3)

Tahoe ladies are planning to attend enmasse in anticipation of a pleasant visit, that community's reputation for gracious hospitality being well known here.

Before the end of August the Tahoe ladies will again reciprocate, Mesdames G. R. Bliss and N. R. Mayfield serving as hostesses. The date has not yet been definitely set.

As a benefit for the Catholic par-, the Casino at Tahoe Tavern will present the picture "Wings of the Morning", starring Henry Fonda and Leslie Banks on Sunday afternoon at 2:30 o' clock .

Miss Nadine Belden of Piedmont was the houseguest of Mr. and Mrs. A. P. Crist Sr. at their home in Tahoe Pines for a week recently.

Mrs. Frances Crist of Oakland arrived on Saturday to sojourn at the Crist home indefinitely.

Earl Nelson, garage man at King's Beach, Lake Tahoe has returned to his home after a period of hospitalization in Reno on account of seriously injured eyes, caused by the exploding o fan electric light globe. Mr. Nelson had a narrow escape and it will not be known for some time, the extent of the injury to his eyes.

ARTISTS TO EXHIBIT

SACRAMENTO, Aug. 12.— (UP)— More than 300 artists will exhibit one oil painting eash at the annual California state fair, beginning here Sept. 3. Limited space prohibits entry of more than one exhibit by each artist. A $50 prize will go to the most popular painting.

TOURIST TRAVEL IN CALIFORNIA SETS NEW RECORD MARK

SACRAMENTO, Aug. 12. —(UP)— The greatest flow of automobile tourist traffic in history entered California during the first six months of 1937, according to a compilation prepared by the state department of motor vehicles.

The department said 108,717 nonresident permits were issued, marking the first time that the 100,000 mark was passed in a six-months period.

CITIES BENEFIT FROM DISTRIBUTION OF STATE LICENSE FEES

SACRAMENTO, Aug. 12. —(UP)— More than $400,000 is being distributed to cities and counties of California as their share of the motor vehicle license fees collected during the second quarter of 1937.

The cities of Nevada County will receive a total of $354.11, while the county itself will be paid $257.39, all on a basis of population.

Under a state law, cities receive 25 per cent of the total after deduction of collection costs, the counties 12 1-2 per cent and the state general fund the remainder.

During the second quarter, a total of $1,137,362 was collected. Deducted from this was $34,120 for collection costs, leaving $1,103,241 to be apportioned.

NEW SYSTEM WILL BE INAUGURATED ON DRIVER LICENSE

SACRAMENTO, Aug. 12. —(UP)— Automobile drivers' licenses which are renewed after August 27 this year will be good for four instead of two years, as a result of legislation approved at the last session.

There will be a new type of license probably a photostatic copy of the application, reduced in size to that of the present license form.

Chauffeurs licenses will expire on March 31 each year, and their badges will be replaced by a certificate.

Minors 18 or over who have been married will not be required to obtain the signature of parents before obtaining a license.

NIGHT DEATHS ON HIGHWAYS RISE REPORT DECLARES

SACRAMENTO, Aug. 12. —(UP)— A steadily mounting highway death toll from accidents occuring at night today brought a plea from Ray Ingels, director of the state department o fmotor vehicles, for a curtailment of early morning speeding.

Ingels said 1,075 persons died in daylight accidents in 1930, against 1,032 at night. During 1936, he said, 1,107 died during the day while night fatalities mounted to 1,713.

He said two factors—drunkenness and speed—were accountable for the increase in the night traffic deaths.

PER CAPITA COSTS IN NEVADA COUNTY REPORTED AT $16.81

Per capita expenditures by Nevada county for county functions alone totalled $16.81 for the fiscal year 1935-36, according to figures just released by California Taxpayers' association.

For each man, woman, and child in the county, the county spent $5.17 for general government, $1.61 for protection and property, 5 cents for health and sanitation, $416 for highways and bridges, 48 cents for recreation, $4.74 for charities, 15 cents for miscellaneous, and 45 cents for education, the last sum being the expenditures per capita for the work of the county superintendent of schools and the county library, the association fund.

Average per capita expenditures for county government functions alone in the state as a whole were $17.52, the association stated. This included an average county expenditure of $3.17 per capita for general government, $1.65 for protection to persons and property, 56 cents for health and sanitation, $3.14 for highways and bridges, 19 cents for recreation, $7.30 for charities, 29 cents for miscellaneous, 87 cents for debt payments, and 35 cents for education.

Trying to get information out of the state division of architecture in the absence of Earl Lee Kelly, state director of public works, is about as difficult as squeezing banana oil out of a cocoanut. As a result of a gag rule enforced in the department, the stock answer usually is: "We can't release that information until Mr. Kelly returns."

The same gaga rule supposedly applies to other divisions in the department, such as highways and water resources, but the employes in the upper brackets there must forget it because they are very cooperative in providing information for public consumption.
